COUNCIL AGENDA ITEM

TOPIC: RESOLUTION SETTING THE TENTATIVE MILLAGE RATE FOR FISCAL YEAR 2021-22.

BACKGROUND / DESCRIPTION:

Within 80 days of certification of value, but not earlier than 65 days after certification, State law requires local government taxing authorities to hold a public hearing on the tentative millage rate and budget. This hearing has been publicized via the TRIM Notice mailed out by the Property Appraiser.

At this hearing, the taxing authority will:

- 1) Discuss any percentage increase in millage from the rolled-back rate and the specific purposes for which the ad valorem tax revenues are being increased.
- 2) Allow the general public to speak and ask questions.
- 3) Adopt a tentative millage and budget.
- 4) Within 15 days following the tentative budget hearing, the taxing authority shall advertise its intent to adopt a final millage and budget.

The following outlines the required format and exact wording, according to Section 200.065(2)(e)1, Florida Statutes, for the adoption of the tentative millage rate and the tentative budget for the City:

Step One: Introduce the tax issue: (this step must be completed first)

“The City of Williston proposes to levy a millage rate of 6.75. This is a 6.26% increase from the rolled-back rate of 6.3526 mills.”

Step Two: Hear Public Comments regarding the proposed tax rate and budget.

The general public must be allowed to speak and to ask questions prior to the adoption of any measure by the governing body.

Step Three: Adopt the tentative millage:

“The City of Williston proposes to adopt a millage rate of 6.75.”

Step Four: Once the millage rate is adopted, the tentative budget can then be adopted by separate vote:

“The City of Williston proposes to adopt a budget for fiscal year 2021-2022 with total appropriated expenditures and reserves of \$16,253,628, a 25.4% increase from the 2020-2021 total expenditures and reserves.”

Step Five: Announce Public Hearing:

“The Public Hearing to adopt the final millage rate and budget is scheduled for September 28, 2021, at 5:30 p.m., at the City of Williston Council Chambers.”

Airport Fund

CITY OF WILLISTON
FY 2021-2022 Budget
Budget Summary – Airport Fund

Budget Highlights

The Airport has a FY 2021-22 budget of **\$2,254,970** which represents an increase of **\$461,039** or **25.7%** from the adopted FY 2020-21 budget of \$1,793,931. The increase is a result of a return to normal operations in states across the country from COVID-19 related policies and procedures as well as anticipated capital projects. The Airport budget operates independently of the general fund or any other fund and as a result is balanced so as not to interfere with any other City operations. Generally, our revenues are received in the form of fuel sales, land leases, and hanger space rentals.

CITY OF WILLISTON
FY 2021-2022 Budget
Budget Summary – Utility Fund

Budget Highlights

The Utility Fund has a FY 2021-22 budget of **\$6,213,400** which represents an increase of **\$228,502 or 3.8%** from the adopted FY 2020-21 budget of \$5,984,898. The increase is primarily the result of new positions added to the fund as well as additional materials & supplies necessary to meet safety and compliance requirements. This increase is offset by a reduction in the budgeted transfer to the capital project fund due to anticipated grant revenue from the American Rescue Plan Act.
